Frisk under the spotlight...

Four artists' blind tested 8 different Frisk papers, along with 4 competitor papers. Papers were tested for their colour vibrancy, texture, durability, blendability, erasability and absorbency, as well as their ability to work with a variety of mediums. All papers were rated "Good, Better or Best".

Rated
BEST
for 5
papers!

"Nice to touch, the strongest, blends well. Strong application of colour!"

"Whitest of all the papers, blends smoothly, erases very well, withstands vigorous blending without damaging."

"Smoothest of the three tested, erases very well, withstands vigorous blending without damaging, good neutral white tone."

"Light texture, excellently flattens out, allows colour to float, excellent colour vibrancy and masking fluid works brilliantly. All media responded very well."
